

As a responsible and informed voter i find it reprehensible that Sinclair Broadcast Group, Inc. is considering to run the bitterly partisan so-called documentary "Stolen Honor" on it's stations. Sinclair who reaches one quarter of US households has floated the idea of running this commercial free just days away from Nov. 2nd.

"Stolen Honor" is not news worthy as Sinclair suggests it is. It purposely distorts the facts about Kerry's participation in the anti-war movement during the Vietnam era. The producer of "Stolen Honor" is a partisan Republican with close ties to the Bush administration.

I urge the FCC to step in and stop Sinclair from hijacking the public's airwaves with this obviously partisan attack on John Kerry and the democratic process. If this was CBS and they were planning on running Michael Moore's film, Fahrenheit 911, i would hope you would do the same.
